

NOVEMBER 2018

Day Captain Vic Holloway

## St Michael Fly Fishers Match Report

### DUNCTON MILL

#### DAY CAPTAIN'S & SECRETARY'S REPORT

Not such a big a gap this time as it has been just a few weeks since we met at Meon Springs in October. This was however the changed November meeting, with a wished for improvement in the weather it promised to be a good day for fishing.

We gathered as planned at about 8 am with tea & coffee etc provided by fishery owner Martin. Sadly Michael Littlestone was indisposed and could not be with us, this also prevented Godfrey, who was hitching a lift with him from joining us for the day. The final number of members and guest for the day was 16, including 4 guests. (We look forward to welcoming our new friend's back to our future venues in the coming year).

Following a few early cups of tea and coffee Vic Holloway stepped in for Michael as day captain, his briefing for the days fishing got underway. At 8.45 the fishing started, this time we were allowed to take two fish at any lake before we had to move. The fish appeared to be fairly well down with very soft and gentle takes. Blue flash damselfly, Montana, GRHE, along with white and yellow variations were all used with varying degrees of success. The full results will appear on the members pages in due course but the best fish of the day was taken by one of our guests, Alan Butler with a cracking fish of 4lb 12oz, this was followed closely by David Broome with, coincidentally the best Brown of the day at 4lb 8oz. The best bag of the day was one of 9lb 5oz by Peter Burdett. Overall 41 fish were taken, with seven of us finishing the day having bagged up, a good result.

SECRETARY'S REPORT cont.

Next Outing  
AGM  
8<sup>th</sup> Dec  
Avon Springs

Our next outing will be at Avon Springs on 8<sup>th</sup> December. This will be the last planned meet until February, however, there is a hint of a social meet at Lechlade with a few talking about something in January.

As it will be our **AGM** at Avon Springs please put on your thinking cap's as we will be looking for your ideas for next year when we meet in December!

Finally just to say how grateful we were to Martin and his wife Caroline for taking such good care of us with a very good breakfast and wonderful homemade cakes for our afternoon tea at Duncton Mill.

*Michael Littlestone* Club Secretary

End of day results  
DUNCTON MILLS

Winner Best bag of the day

**Peter Burdett 4 fish 9 lbs 5 oz**

Biggest Fish .....

**Guest, Allan Butler @ 4 lb 12 oz**
